Funding Commitment Decision on FCDL 2010: Denied

USAC Administrator's Decision on Appeal: Denied

Dear Sir or Madam,

Lamar Consolidated Independent School District (Lamar CISD) respectfully submits this Request for Review of the USAC Administrator's Decision on Appeal for Funding Year 2010-2011 to deny funding for all Funding Commitment Requests represented in 471 Application 750446.

Per the Funding Commitment Decision Letter dated March 29, 2011, the Funding Commitment Decision Explanation reads: "On 03/11/2011 your application was dismissed pursuant to the Red Light rule which implements requirements of the Debt Collection Improvement Act." (Attachment 1: Funding Commitment Decision Letter, Form 471 Application Number 750446)

We respectfully acknowledge the reason for the funding commitment decision; however, we appeal this decision because a good-faith effort was made by Lamar CISD to satisfy the requirements set forth by USAC within the allotted amount of time, and because the District has since **repaid the debt owed and received a Recovery Repaid in Full Acknowledgment clearing their Red Light Status as of March 30, 2011.**

No. of Copies rec'd 04
Us1A B C D E

We are requesting this review because the denial of funding for the 2010-11 projects will have a significant, negative impact on the ability of the District to provide necessary Telecommunications and Internet services to the students of Lamar CISD. The funding was denied due to a late repayment of funds, the tardiness of which occurred due to a unique set of circumstances that will never occur again. An internal misunderstanding of payment procedures occurred first, compounded by the fact that District staff needed guidance from parties external to Lamar CISD to ensure that the repayment met audit compliance. These circumstances, along with certain correspondence being received during District holidays, caused administration to miss deadlines. We are appealing the denial hoping that our honest intent to better handle time-sensitive situations in the future is sufficient to warrant your approval of this request for Lamar CISD's 2010-11 E-Rate funding.

The chronology of events leading to the 2010-2011 Funding Commitment Decision is as follows:

During Fall 2010, the District received a request for funding commitment adjustment in the amount of \$49,504 for Funding Year 2004 (Form 471 Application Number 404707), which we immediately appealed with USAC. The appeal was denied and USAC's Notice of Withholding of Action dated November 19, 2010 was received stating that the Appeal for this Funding Commitment Adjustment had been "Partially approved, but Funding Denied". The District was asked to repay monies previously received. Having never been in this position before, the Lamar CISD Technology Department staff asked the Finance Department staff for guidance. A requisition was to be generated by the Technology Department. It was on or about February 8, 2011, pursuant to an internal email regarding an additional COMAD request, that we realized that Technology thought Finance was generating the requisition for payment. A subsequent meeting was held to determine status of the repayment. At this meeting, we learned that before the payment had been initiated, another request for funding commitment adjustment had been received, along with some other correspondence. A Notice of Withholding of Action dated February 4, 2011 was received. A new, combined debt of \$58,717.66 was referenced, comprised of the 2004 COMAD amount listed above plus an additional \$9,213.66 for a funding COMAD issued for FY 2007, FRN 1553148. Also on February 4, 2011, USAC issued Notice of Withholding Action Pending Red Light Rule for 2010 Applications 750446 and 764900 (Attachment 2). In an attempt to determine why this had happened, we reviewed all of our procedures, and decided to pay both COMAD requests with one check. The Technology Department was in the process of generating the requisition when the Finance Department realized there was uncertainty about how to code the expense for accounting purposes. There are specific requirements when significant expenditures are made in a fiscal year that relate to a prior year. We solicited guidance from both the Texas Education Agency and Lamar CISD's external auditors, both of whom needed time to research and reply.

Further, the District was closed for the Spring Break holiday (March 12 – March 20, 2011). A Notice of Dismissal of 2010 E-Rate funding dated March 11, 2011 was sent by USAC, but school mail delivery did not resume until the week of March 21, 2011. USAC issued the Notice of Dismissal for both 471 Applications 750446 and 764900 pursuant to the Red Light Rule. The Dismissal letter was received by office staff on March 22, 2011, due to the closure for Spring Break. (Attachment 3)

Upon returning from Spring Break, Lamar CISD issued a purchase order to USAC in the amount of \$58,717.66 as payment in full for both debts. (Attachment 4)

On March 25, 2011, Lamar CISD mailed check number 320593 in the amount of \$58,717.66 to the USAC remittance address in Atlanta, GA. (Attachment 5)

On March 29, 2011, USAC's bank cashed check number 320593.

On March 29, 2011, also USAC issued two 2010 Funding Commitment Decision Letters denying in full all funding requests due to Red Light Rule Implementation. The Funding Commitment Letters were received by Lamar CISD on April 1, 2011. (Attachment 1)

On March 30, 2011, Lamar CISD received two Recovery Repaid-in-Full Acknowledgment letters, clearing our Red Light Status. (Attachment 6)

On April 12, 2011, Lamar CISD accessed FCC's Red Light Display system indicating status was "Green". (Attachment 7)

On May 25, 2011, Lamar CISD appealed the 2010-11 Funding Commitment Decisions issued by USAC for Applications 750446 and 764900. (Attachment 8)

On June 13, 2011, USAC issued an Administrator's Decision on Appeal letter which upheld their decision to deny funding in full for Application 750446 (Attachment 9). We submit this Request for Review of USAC's decision to the FCC, taking into consideration all information as stated.

As illustrated by the chain of events outlined above, the District was in the process of making payment of its debt to USAC, but incurred numerous issues along the way. USAC did not take into consideration that Lamar CISD repaid the debt, and that both the unfortunate timing of payment to USAC and the receipt of the correspondence from USAC were ultimately affected by the closure of Lamar CISD for Spring Break. We are troubled by the way this occurred and ensure that we will be diligent in the future to avoid these types of issues.

My contact information is given below. Please contact me if any additional information is required during consideration of this appeal. Thank you for your attention to this matter and your effort in helping us recover the school district's 2010 E-Rate funding.

OBLIGATION TO PAY NON-DISCOUNT PORTION

Applicants are required to pay the non-discount portion of the cost of the products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If USAC is being billed via the FCC Form 474, the service provider must bill the applicant at the same time it bills USAC. If USAC is being billed via the FCC Form 472, the applicant pays the service provider in full (the non-discount plus discount portion) and then seeks reimbursement from USAC. If you are using a trade-in as part of your non-discount portion, please refer to our website for more information.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.
